Fiscal Analysis

ASSUMPTIONS:
Department of Labor and Industry

1. The department assumes it would realize some increase in board disciplinary actions, but has no data upon which to quantify the fiscal impact. The boards impacted by HB 254 include Board of Medical Examiners, Board of Nursing, Board of Dentistry, Board of Veterinary Medicine, and Board of Optometry.

2. The department would undergo some rule making action with associated costs, but assumes it can absorb those costs.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:
There may be some increased workload to county attorneys depending on the number of alleged violations reported by the licensing boards.
